

Bathroom inspirations

Simply inspires you to want more

wedi Fundo Design

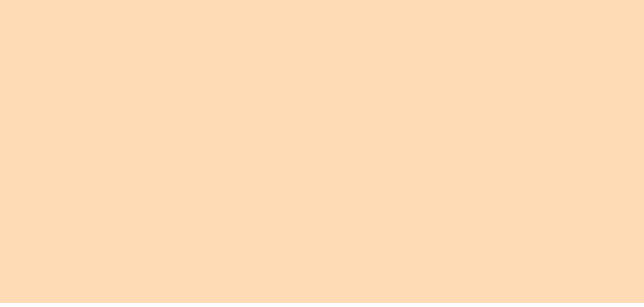

...wedi®

Nowadays, floor level showers are so much more than just a trend. In private bathrooms too they are being used more and more as they combine aesthetic demands with a high level of functionality.

So, what does the shower itself look like? Whether on the inside or outside, the Fundo design concept combines creative lines with natural shapes and its high quality is particularly convincing. wedi the premium brand for greater happiness in the bathroom.

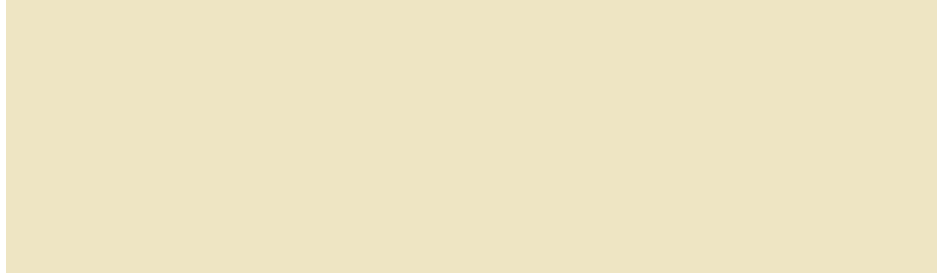

Round or snail-design floor-level shower creations with the respective floor elements are the highlights of the Fundo design concept. Enjoyment, relaxation and a simple feel-good factor.

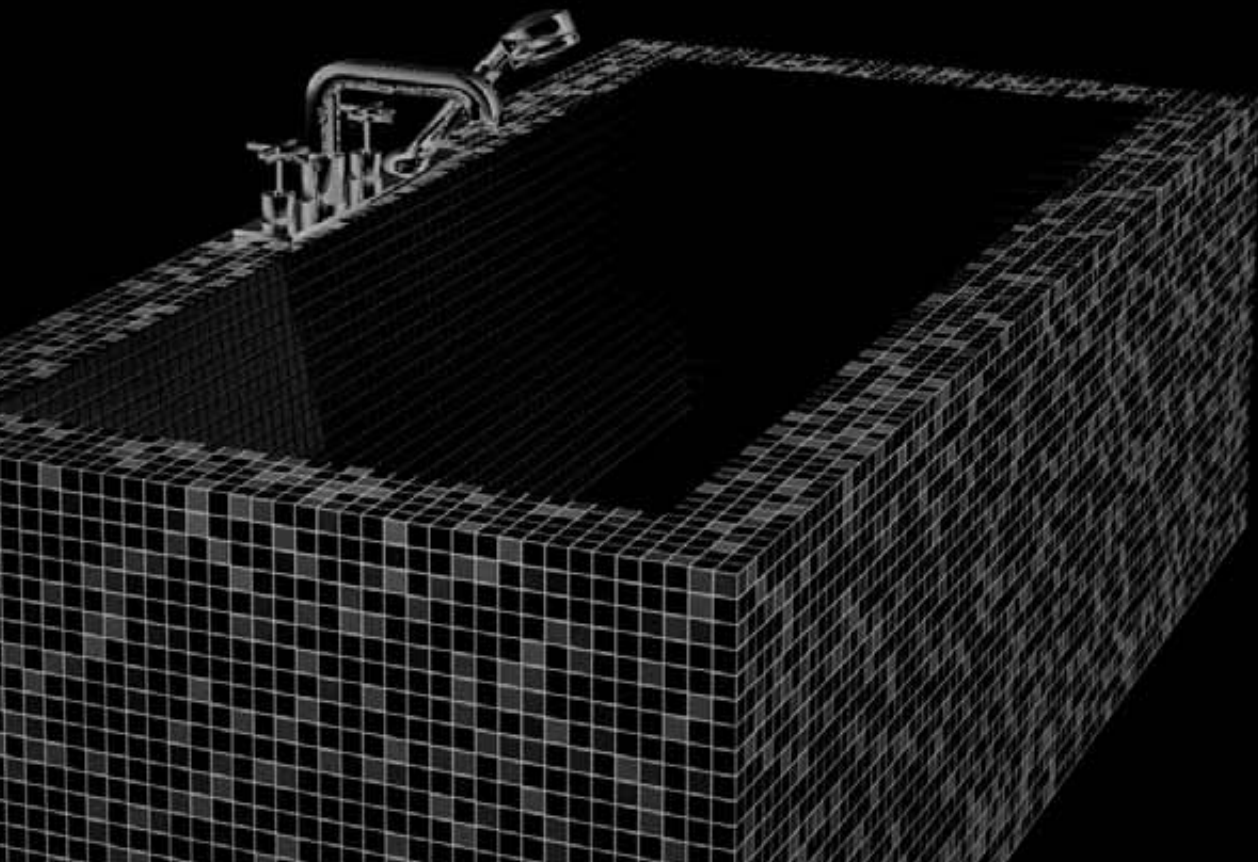

Fundo channel drains e.g. in stainless steel are not only a lovely shape and have a very high quality appearance, they simultaneously offer you the possibility of designing the drain in floor level showers to your heart's desire. More freedom when showering, more freedom in the bathroom.

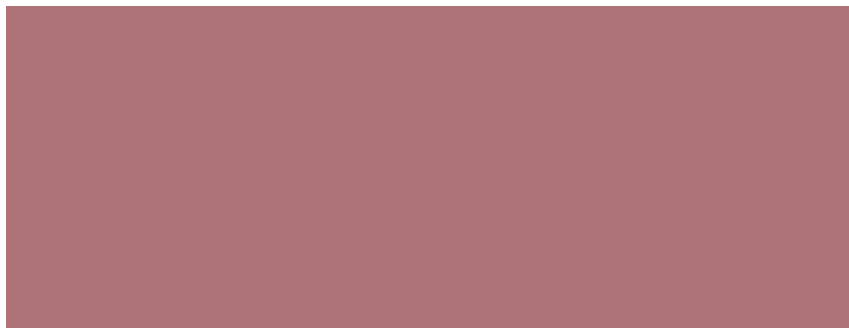

wedi Sanbath Design

White wash basins, white bathtubs, white showers... enough of all that! The wedi Sanbath design series provides the simplest way to introduce new shapes and colours into the bathroom. Whether we are talking slick elegance, creative design forms or selected colour accents, wedi Sanbath turns your bathroom into a living room and the wash areas into real furniture.

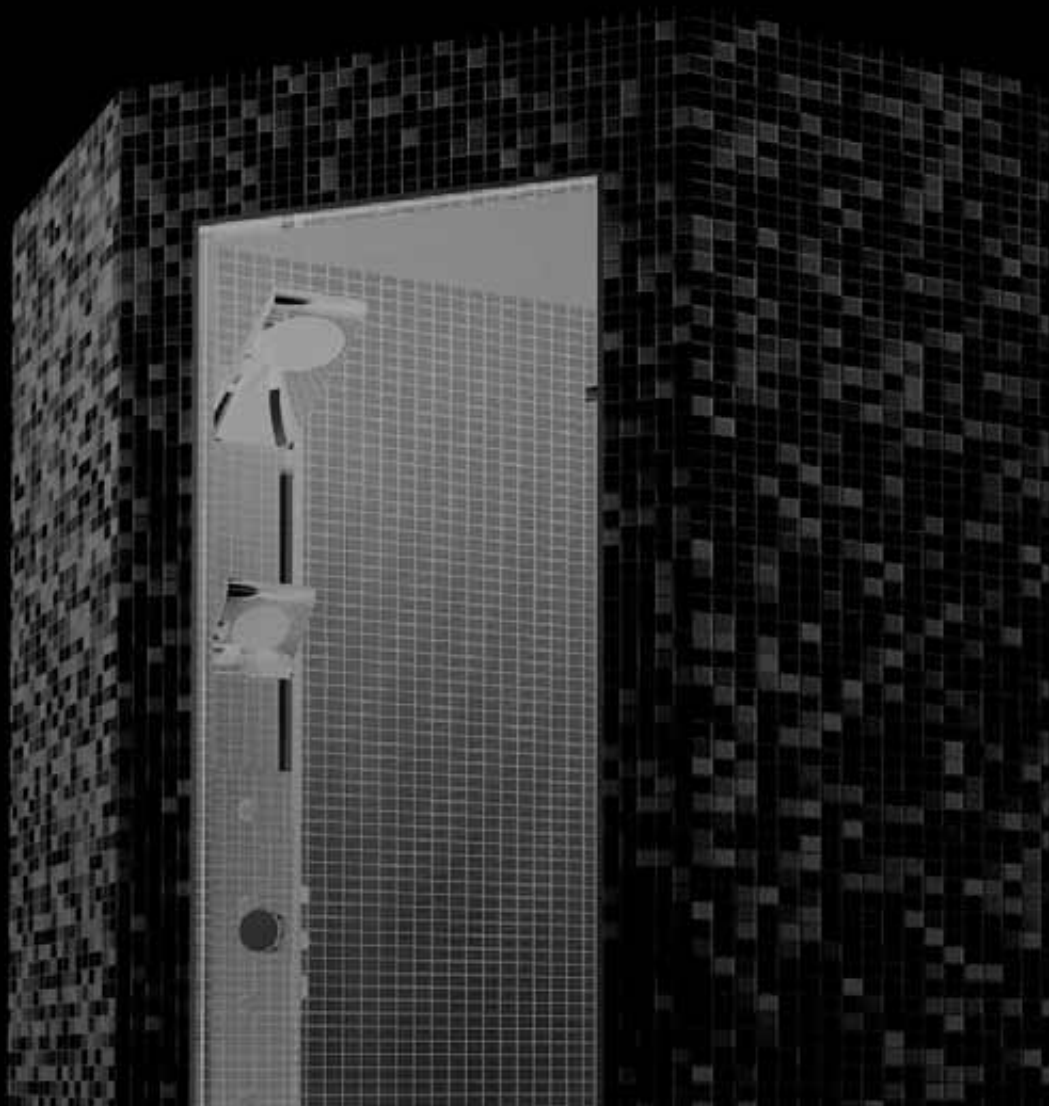

The wedi Sanbath series offers countless design variants for any bathroom. Simple wash basins, complete cubic wash basins as well as timelessly designed shower and bath shapes which are just waiting to be tiled. A special treat for your eyes.

wedi Sanoasa Design

...wedi®

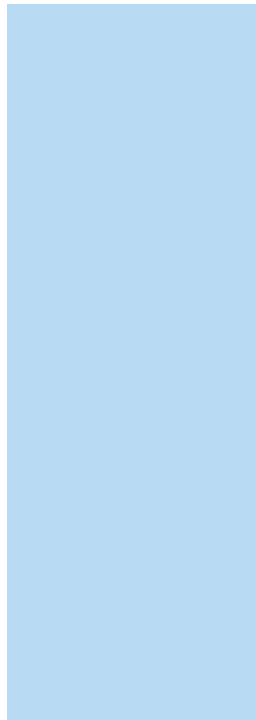

The wedi Sanoasa wellness elements offer pretty much everything which can turn a normal bathroom into a complete wellness oasis. Massage showers with side jets, purifying steam baths to promote your circulation or relaxing light displays with adjustable colours are just as much a part of the equipment as are the heated wellness benches and loungers in different designs which blend individually into the room concept.

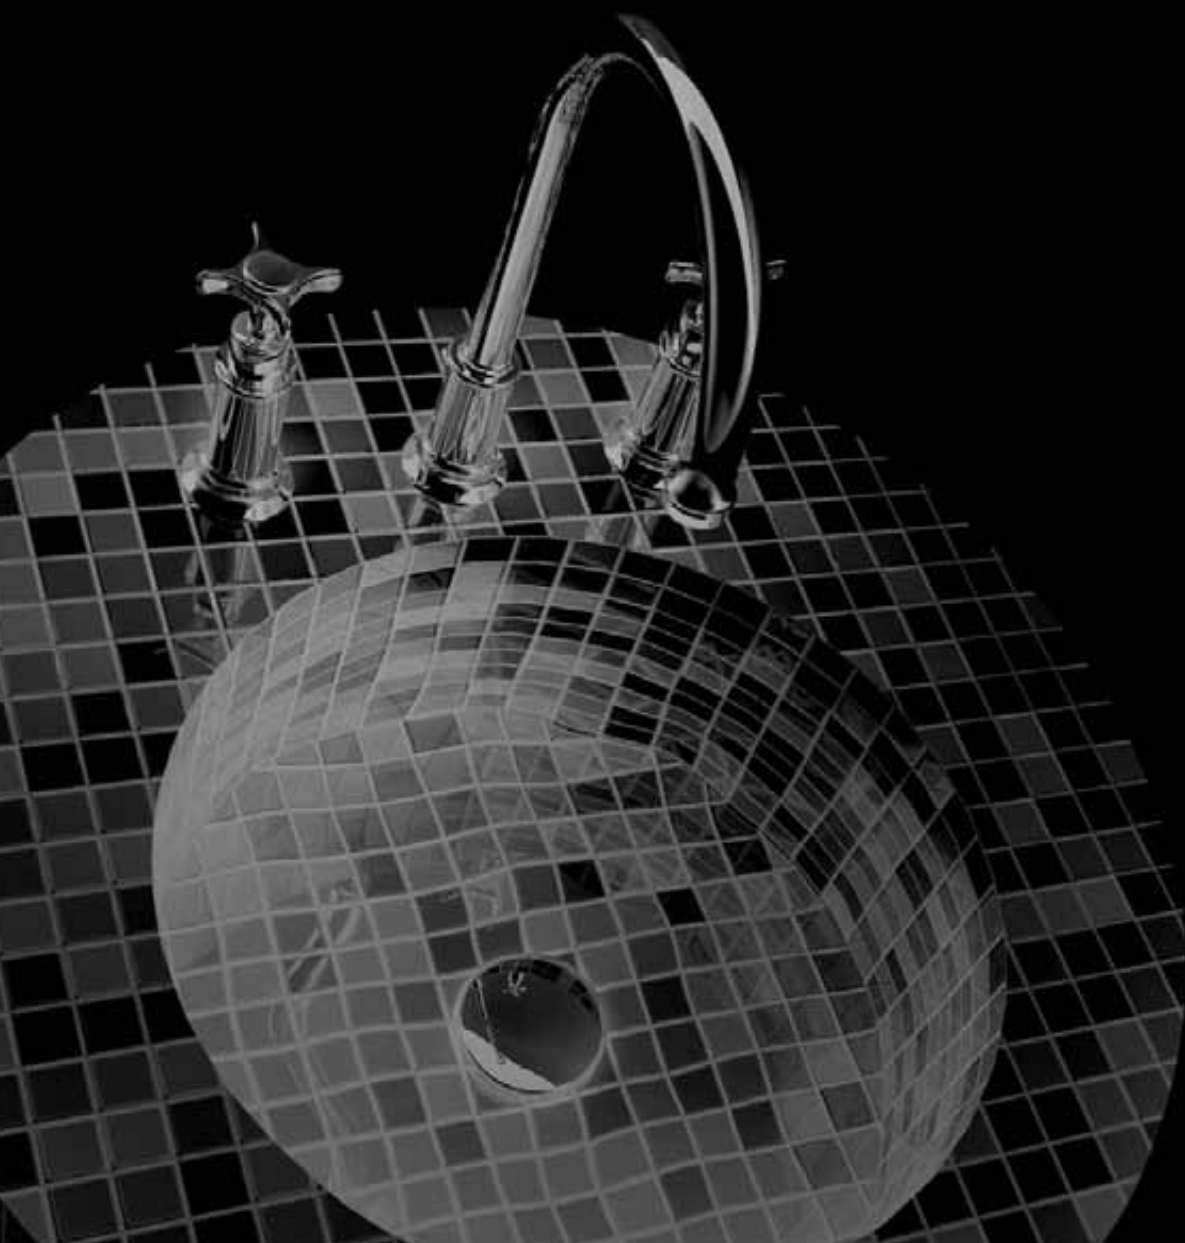

Top quality equipped wellness multicenters, diversely formed Vario shower cabins as well as seats and benches – the Sanosa design series accentuates larger baths. More room and more freedom for the whole family.

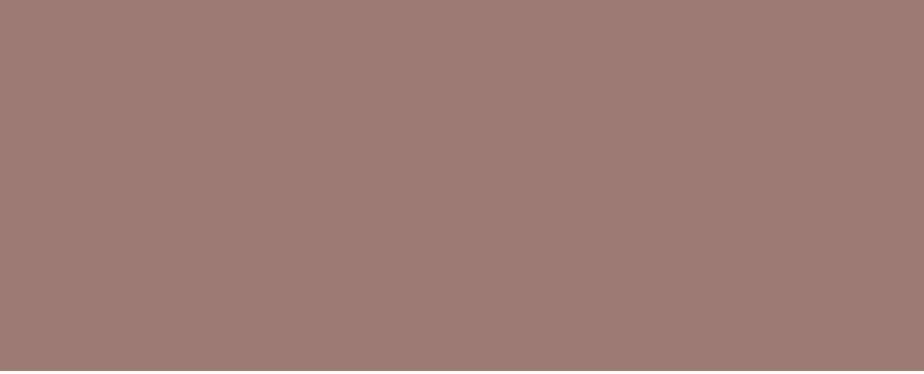

wedi individual

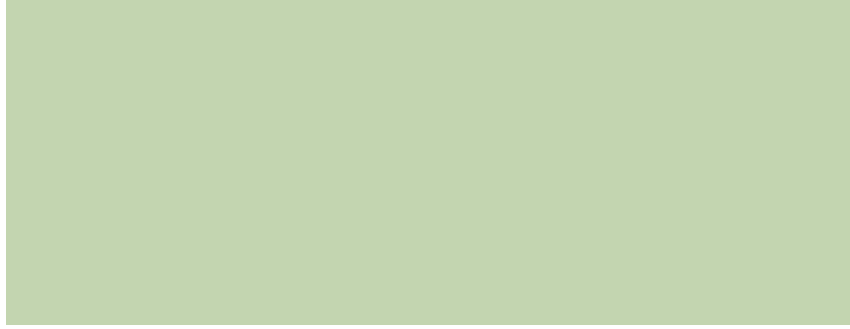

...wedi®

You have an idea or you've seen a lovely bath somewhere or bathrooms planners have advised you? Whatever your requirements, the diverse wedi building board enables you to select your individual form and application simply and quickly. From the floor to the wall. A wash basin, bath or shower. A partition or bathroom furniture. wedi lets you create every single element in the bathroom as you wish.

Round, oval or square – this is certainly no mass production bath.

If you like a feeling of freedom and physical well-being, or are looking for more room for your body and mind, you will find it with the wedi bath and wellness elements.
